May 27, 10am-2pm - Day Ride

These Docent Led rides guide you and your horse through open country over a variety of terrain in a pristine protected landscape. Climbing and descending hills, maneuvering around rock outcrops and crossing flowing creeks are involved with this outing. Groups travel at a walk and are usually from 10-15 in size. Horses and riders should be accustomed to riding in groups and in open fields.

The SVC's goal is a safe and enjoyable outing for all. Helmets are optional though recommended for adult riders, but **REQUIRED** for riders 16 yrs old and younger. Sorry, no exceptions. Gates open one hour prior to ride out time. Saddle time approximately 2 1/2-3 hours.

Visit website to register and for additional details, dates and times.

REGISTER:

\$10.00 registration fee or ask about \$50 season pass
Attendees must pre-register online. Space is limited.
